Note that the inspector has clarified that virtual meetings are allowed, although it is unclear whether a meeting conducted virtually by Members in their LA Offices is permitted.

OFFICIAL

Good afternoon Andrew,

Thank you for your time this afternoon. As discussed, please see the attached Prohibition Notice, which has been issued to Joy Burch.

I have sought clarification in relation to your question regarding the 'Estimates 2022-23 Hearing' occurring in a virtual setting only. I have confirmed that undertaking this activity through virtual means would be considered adequate in relation to the elimination of the biological hazard (being Covid-19) in line with the Hierarchy of Control. The Prohibition Notice is specifically in relation to face-to-face hearings and committee meeting being undertaken at the Legislative Assembly of the Australian Capital Territory, until such time as the directions in the notice have been complied with.

If you require any further clarification, please do not hesitate to contact me.

Kind regards,

Meaghan O'Connor | Inspector - Psychosocial
