Dear Mr Gentleman,

**RE: Referral of Draft Variation 386— Emergency Services Facility**

Thank you for your letter signed received on 20 October 2023, in which you referred Draft Plan Variation 386—Emergency Services Facility to the Committee under Section 73(2) of the *Planning and Development Act 2007* for its consideration.

The Committee met on 9 November 2023 and agreed not to inquire and report on the Draft Plan Variation.

The Committee considers that DV 386 is a straightforward draft variation, and that suitable public consultation was undertaken, with 21 submissions received by the Environment, Planning, and Sustainable Development Directorate. In the Committee's view it is unlikely that new information would emerge in the course of an inquiry, and a committee inquiry would be unlikely to add any value.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'Jo Clay'.

Chair
