 - (b) an opportunity to focus on the importance of health and safety at work and the joint responsibility shared by all in keeping our workplaces safe and fostering a positive work safety culture;
 - (c) all workers have the right to return home safely from work;
 - (d) in 2023, the theme for World Day for Safety and Health at Work was “A safe and healthy working environment is a fundamental principle and right at work”, focusing on good work; work that is not only safe, but that is also good for us by contributing to our physical and psychological health and wellbeing; and
 - (e) in 2023, the theme for Workers’ Memorial Day was “remember the dead, fight for the living”; and
 - (2) express solidarity in reflecting on the importance of World Day for Safety and Health at Work and International Workers’ Memorial Day which occurred on 28 April 2023 by:

PRIVATE MEMBERS' BUSINESS

Notices

1 **MR PARTON:** To move—That this Assembly:

- (1) notes that:
 - (a) the Parliamentary and Governing Agreement for the 10th Assembly states that the Government will continue to transition Canberra's entire public bus fleet to zero emissions by buying 90 battery electric buses in the next term;
 - (b) as of 8 April, there are currently 12 Battery Electric buses in route service with Transport Canberra;
 - (c) the Transport Minister loudly announced in November, with associated photo opportunities and media stories, that four new Custom Denning Electric buses had arrived in Canberra and would be soon on the road;
 - (d) there are ongoing delays to the entry into service of the four Custom Denning Element 2 Battery Electric Buses, with no clear entry into service date in sight;
 - (e) this government fails to take its own bus fleet electrification targets seriously; and
 - (f) there are still several non-compliant Renault Diesel buses in service with Transport Canberra, over a year after they were meant to be retired; and
- (2) calls on the ACT Government to
 - (a) genuinely commit to its own electrification targets;
 - (b) stop misleading Canberrans by saying that there are 106 electric buses on the road when there are only 12; and
 - (c) remove the signage from the offending buses stating there are 106 electric buses in service. (*Notice given 8 April 2024. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

2 **MS CASTLEY:** To move—That this Assembly:

- (1) notes that:
 - (a) there is a crisis in the provision of primary care in the ACT;
 - (b) the Royal Australian College of General Practitioners 2023 Health of the Nation report found that:
 - (i) 64 percent of practising GPs are considering reducing the time they spend practising or are considering stopping practise altogether;
 - (ii) regulatory and compliance burden and burnout are the dominant issues leading to GPs considering reducing or ceasing practising;

- (iii) 29 percent of GPs intend to retire in the next five years, resulting in a net premature loss of 24 percent of all practising GPs; and
 - (iv) fewer graduates are choosing to specialise in General Practice each year;
- (c) in 2022 the ACT had the lowest ratio of GPs to 100,000 people of any major Australian city;
- (d) Canberrans themselves are finding it harder to access a GP. In 2020, five percent of Canberrans found it hard to access GP services, in 2023 this has risen to 19 percent;
- (e) in the ACT only 3.4 percent of GPs bulk bill – the lowest bulk billing rate in mainland Australia. The average out-of-pocket cost to see a GP who doesn't bulk bill is almost \$50 for a standard 15-minute consultation – again the highest in mainland Australia and way above the national average of \$41.70; and
- (f) many practices in Canberra have stopped taking new patients. Canberrans are putting off seeing a doctor, spending longer in consultations on multiple issues, or going to emergency departments;
- (2) further notes that:
 - (a) in this dire and worsening environment for general practice the ACT Government has adopted a NSW Court of Appeal decision which found that payroll tax is applicable to medical centres that contract GPs;
 - (b) this 'sick tax' could cost Canberra medical practices on average an extra \$50,000 per year. It has inevitably been passed onto Canberran consumers; and
 - (c) payroll tax exemptions and amnesties available to GP clinics in a number of other states make the ACT even less competitive as a place to set up a practice; and
- (3) calls on the ACT Government by 30 June 2024 to present a plan to address the crisis in primary care in the ACT. (*Notice given 8 April 2024. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

3 **MS ORR:** To move—That this Assembly:

- (1) notes that:
 - (a) the ACT's first public nurse-led Walk-in Centre opened on 18 May 2010, providing nurses in the ACT the opportunity to work to the top of their scope of practice and have become highly valued in the Canberra community;

- (b) the Walk-in Centre network has been progressively expanded to five locations covering all of Canberra's major regional centres to provide free, accessible and high quality health care to Canberrans for a range of minor injuries and illnesses without an appointment;
 - (c) quarterly performance reports show that between October 2021 and September 2022 those five clinics saw and treated more than 77,000 Canberrans and those from the surrounding NSW region – this has reduced the load of emergency departments and potentially costly GP visits;
 - (d) Walk-in Centres save Canberrans time and money by providing free services and a range of prescriptions, and particularly provide parents with convenient out-of-hours assessments of unwell children;
 - (e) Walk-in Centre's have been designed to serve a complimentary role with the ACT's other health services and Labor Government's have continued to invest in expanding Walk-in Centre capabilities and recognise the value of nurse-led models of care;
 - (f) ACT Labor committed to building a new health centre in North Gungahlin to provide walk-in and appointment-based services that will further compliment the Walk-in Centre's; and
 - (g) ACT Labor committed to a new more than \$1 billion northside hospital that will support Canberrans on the northside to access essential public hospital services into the future;
- (2) also notes that there has been longstanding opposition to the Walk-in Centre model and nurse-led models of care from a range of interest groups, political parties and other stakeholders, most notably during the 2020 election campaign when the then-Liberal Health Spokesperson labelled them "a total flop"; and
- (3) calls on all parties to:
- (a) publicly affirm support in the Chamber for the current nurse-led Walk-in Centre model, the retention of existing locations, the Urgent Care Clinic partnership with the Commonwealth Government and rule out a politically-motivated "review" of the Walk-in Centre model; and
 - (b) support nurse-led health care provision that allows nurses to work to the top of their scope of practice and compliments health services in the ACT to ensure Canberrans can access high-quality, public healthcare into the future, including considering innovative nurse-led models of care in the new health centre and Northside Hospital.
(Notice given 5 April 2024. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A).

- 4 **MR PARTON:** To move—That this Assembly:
- (1) notes that:
 - (a) the ACT is in the midst of a cost-of-living crisis, with many Canberrans struggling under high interest rates and inflationary pressures;
 - (b) the weekly cost for an Adult MyWay cardholder to commute on public transport five days a week is \$32.20;
 - (c) Canberra's buses are some of the least used in the nation; and
 - (d) the average weekly cost of parking in civic is well over \$100; and
 - (2) calls on the ACT Government to cap weekly fares for adult MyWay cardholders to \$25 to provide cost-of-living relief to Canberrans. (*Notice given 8 April 2024. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).
