Good evening,

I am not sure if this is the correct email address to report a childcare centre to - if not, please redirect!

I was driving to a medical appointment this afternoon at 3:45pm and passed by Coombs Early Learning - address unit 2/110 Woodberry Ave, Coombs ACT.

There was a young boy, perhaps aged around 3, that had climbed the outdoor centre fence and was half hanging over the edge. This child could have very easily fallen OUT of the centre head first, from a height, becoming injured. He also could have easily fallen outside of the centre and wandered off. I watched on from my car horrified before an educator eventually noticed and retrieved him from the top of the fence.

I don't believe these children are being adequately supervised. This was a horrifying thing to witness and I have large concerns for the children in the centres care. I am currently pregnant and would never send my child to this centre now.

I hope this is followed up - please let me know if I can provide anything further or if this can be investigated.

Thank you,
