Dear P01 and P01,

Today we are short of educators as those who did not receive their pay from Friday do not feel comfortable and valued at this centre and have provided certificates for the day. We did have an educator of a casual company come in, but P01 has called P01 stating she cannot stay here today but she is not here to support us and has been sent to Conder.

Because of the short staff today our team will have to work longer hours and bigger days, educators will have to have breaks on the floor, as we only have one breaks cover for 12 breaks. This is unacceptable and unfair on our educators and puts a risk on our children.

We have some educators who are here today that are extremely upset due to not being paid but trying to be here for the children.

There is no one we can contact for staffing and to get another educator in.

If staff continue to not get paid today, they will not be attending work again tomorrow due to the financial and emotional stress that you both have put on them and their families and the lack of communication since Friday.

I would like a response on what is happening and how this is rectified once again.

Thanks

P01 P01
