| Further Details of the Incident | As per the incident report. P01 had a 5cm gash to his hip discovered by his parent at about 7.30 at night. We are unsure as to how this injury occurred. P01 had a fall in the afternoon on the tan-bark next to an educator, and he was upset and comforted, and the incident was reported to his mum on collection - however, educators did not assess that he had an injury underneath his jackets/tops/pants, nor did P01 advise he was hurt. |
| Details of Action Taken (e.g. First Aid) | Nil. |

| Please detail what steps were taken to ensure parents were notified as soon as practicable, including time, date and nature of notification | P01 was informed on collection that P01 had - had a minor fall. An incident report was not written, as it occurred in front of an educator, and it was on tan-bark, and there was no reasonable belief that he was injured. |
| Name of Witness to the incident | P01 P01 |
| Please detail what steps were taken or will be taken to prevent or minimise this type of incident in the future | Unsure. We are still in the process of organising a CCTV review to see if we can gain any indicators as to when the injury could have occurred, and how. i.e: from what could have caused it. The gash was on P01 's hip under his clothing, and there was no damage to his clothing, nor any item near the fall that would have bene suggested as responsible. CCTV review might assist in further identification. |
