

Ordering the legislative process

This activity can be done by students in small groups or as a class and can be used either at the start or end of a lesson on the legislative process.

1. Print and cut out seven steps on the following page.

To print that sheet without these instructions on it, select 'Specific pages' in your print window and enter '2'.

2. Either in small groups or as a class, mix up the order of the seven stages and ask students to put them in the correct order.
