MINISTER BURCH: The answer to the Member's question is as follows:–

The purpose of the Review of Special Education in ACT Schools (the Shaddock Review) was to have an expert in the field undertake comprehensive research and consultation to establish possible options for the future delivery of education programs for students with a disability in ACT schools. The review informed the development of the Excellence in Disability Education Strategic Plan.

The Review is not being used to determine the scope of services included in the National Disability Insurance Scheme.
